Dear Mr. Reardon:

Referring to your email of September 6, 2001 to Stephen Foster regarding the above noted matter, please note that your assumption that it would be possible to resubmit the patent application is incorrect, since the application has been published, and this would represent an absolute bar to the refiling of the application by anyone. We therefore enclose a copy of the application and drawings as filed, along with a copy of the preliminary amendment filed February 20, 2001, and a Declaration and Power of Attorney.

Please sign and date the Declaration and Power of Attorney as indicated, and return it to us as soon as possible in the enclosed, pre-paid, self addressed Federal Express envelope, in order to preserve your rights in the invention. If any corrections need to be made to the information on the document by hand, please initial them. Please feel free to contact me directly if you have any questions.

Dear Steve

I acknowledge receipt of a fedex package today from Fulwider, Patton et al, and advise that I will arrange for the rights to be irrevocably assigned to Zoom Systems once the payment of \$US20,000 has been made (as previously discussed). I will be out of the office (and email) for the next two days and can be contacted on my cell phone 61 407 237 238.

Dear Mr Parkhurst

I am in receipt of your letter dated September 10, 2001.

This letter is to formally convey my instructions that I am not prepared to offer you or anybody else my power of attorney for the purposes of dealing with this patent application reference GRIFH – 52699.

Should Zoom Systems lose its ability to proceed with this application then this is unfortunate – but is a direct consequence of Zoom Systems failure to pay my claim of \$US20,000 which has remained unpaid since claimed in September 1999.

Again, as I have expressed to your client on numerous occasions, I will effect any and all documentation to allow passage of this application, and any others in which I hold rights, only when the outstanding claim has been settled.

I also advise that I reserve my rights to alter this claim to cover any incidental and legal costs associated with settlement.

Would you please advise receipt of this fax and your intentions with respect to this application by return fax or email to reardonm@energetics.com.au. Alternately, I can be contacted on 61 407 237 238, if you wish to discuss this matter.

Sincerely

Matt Reardon
